FROM THE  
ADMINISTRATOR

## Looking Forward

As we look toward the upcoming quarter, **The Elevon** is hosting several activities and also transitioning to Kangarootime Childcare System.

Our sponsored activities were successes, we had many parents at all activities; strengthening our community presence.

Can you believe we have students who will be moving on to Elementary School? Mark your calendars, June 14, we will host our Annual Luau, celebrating both our school-bound students and the outdoor weather! - More information will be available shortly, stay tuned!!

We are also excited for our changeover to Kangarootime Childcare System, enhancing communication with parents. We will share updates on the roll out as they occur!

## PAST EVENTS

Over the past few months, we hosted many events; including our Lover's Luncheon, Date Night, and Town Hall Meeting.

We had 8 families participate in our Lover's Luncheon on Valentines Day, they brought lunch for themselves and their child and dined in classrooms. Quoting one of the parents who dined...**"This was a wonderful success!"** We couldn't say it any better! If you missed this event, we will be hosting another luncheon around Thanksgiving time!

Earlier this year, we surveyed parents for ideas that would be fun for families. We overwhelming received feedback for a Date Night. We hosted a date night in February and had about a half dozen students, dined on pizza and played games throughout the evening! Thank you to our parents who took advantage of our Date Night, we all had fun!

## ACADEMICS

Our homework completion rate is on the RISE! We did not meet our goal of 95% completion rate, but reached a rate of 92% (up from 88% in 2023). When we started tallying homework completion; we were at a 25% completion rate - Great Job everyone!!

## KANGAROOTIME

In an effort to provide the highest quality service; **The Elevon** will be switching to Kangarootime as our childcare system. You will be able to use Kangarootime's app on your smartphone to stay closely connected, the ability to view and pay balances will be enhanced, and parents and staff will be able to send and receive communication in real-time.

While we change over to Kangarootime, there may be a few unforeseen but temporary "glitches." Please advise us should you experience any issue as we move forward with Kangarootime and we will work to fix it.

## SUMMER CAMP

**The Elevon** is hosting Summer Camp, a fun time filled with outdoor adventures, splashing fun, and field trips!!

**We are offering a \$100 credit for families who refer a new student for Summer Camp!**

We have fun activities each weekday during summer. Our activity calendar is available online. If you haven't already signed up, please click on [www.theelevon.com](http://www.theelevon.com) and secure your spot in our camp! Fun times will be had by all!

## TOWN HALL

**The Elevon** hosted our Annual Town Hall meeting where parents attended an information-packed meeting hosted by **The Elevon**; they were treated to Ledo's Pizza and child care during the Town Hall. Mr. Arby provided an update covering Child Care Industry and its future direction, a robust discussion on academics and how they help prepare children for their academic career, and an interactive discussion over homework at **The Elevon**.

Thanks to all parents who attended the information-filled evening. This was a wonderful example illustrating that **YOUR FEEDBACK MATTERS** at **The Elevon**. It's not only our teachers, but also our parents who make **The Elevon** a fantastic campus!

## EASTER EGG HUNT

**The Elevon** hosted our Easter Egg Hunt; parents and family attended and help in our hunt for candy-filled eggs.

Thank you to all parents who donated eggs and candy and those who participated in the Easter Egg Hunt with their loved one!

## LUAU PARTY

Mark your calendars, **The Elevon** is hosting our second annual luau party celebrating the season and our students who will be advancing to elementary school!

Our Luau promises to be a fun time for all our family, students, and staff!

More information will be available shortly!

## TEACHER IN-SERVICE

February, we held our Teacher In-Service. Every six months, we close our campus and have a companywide meeting in an undistracted setting.

Topics discussed ranged from homework completion rates and the importance of academics through outdoor activities and inclement weather activities.

After the roundtable discussion, our teachers focused upon their classrooms, DEEP CLEANING their rooms and updating all the information in their rooms.

## DID YOU KNOW...

Maryland State Department of Education reports only 42% of children in Maryland entering kindergarten 'Demonstrate Readiness' for kindergarten?

**The Elevon** is an academic-based daycare; research demonstrates that 100% of children who attend (for 2 their last years or more prior to Kindergarten) acquired 'demonstrating readiness' status. Yes... **100% of our 4 and 5 year-old students who are with us for 2 years or more are prepared for Kindergarten!**

Attending The Elevon is one of the easiest and most effective ways to ensure your child is prepared for school!
